OUR STORY

For nearly 50 years, Holland Imports has helped Canadians complete thousands of projects on the job site and in the home through its wide selection of quality tools, hardware, seasonal products, and accessories. Our longevity has earned us the trust and respect of our customers and manufacturers alike.

We have come a long way since our establishment in the early 1970s as an independent hardware store in British Columbia. We now offer more than 25,000 items everyday across many categories in a multitude of brands and price points. We work with end-users and hundreds of factories to continuously develop and launch new products; and we have been able to complement our programs in Hardware, Patio, and Christmas with an assortment of Seasonal Gardening Products. Throughout our growth, we remain family-owned and are firmly committed to creating value for our customers through the quality of our brands, excellent customer service, and competitive pricing.

As we move forward, we are confident that our deep experience in this sector, our hands-on approach, our drive to always do better, and our integrity will be the reasons why customers can count on Holland Imports.
