OUR STORY

For nearly 50 years, Holland Imports has helped Canadians complete thousands of projects on the job site and in the home through its wide selection of quality tools, hardware, seasonal products, and accessories. Our longevity has earned us the trust and respect of our customers and manufacturers alike.

We have come a long way since our establishment in the early 1970s as an independent hardware store in British Columbia. We now offer more than 25,000 items everyday across many categories in a multitude of brands and price points. We work with end-users and hundreds of factories to continuously develop and launch new products; and we have been able to complement our programs in Garden, Hardware, Patio, and Christmas with an assortment of Commercial Growing Products. Throughout our growth, we remain family-owned and are firmly committed to creating value for our customers through the quality of our brands, excellent customer service, and competitive pricing.

As we move forward, we are confident that our deep experience in this sector, our hands-on approach, our drive to always do better, and our integrity will be the reasons why customers can count on Holland Imports.

BRANDS

 **HOLLAND
greenhouse**

Holland Greenhouse offers value to the home owner on quality gardening products and supplies. Our product selection ranges from the latest innovation in gardening trends to the tried and true traditional tools, all at affordable prices. Please visit hollandgreenhouse.ca for more info.

HOLLAND **greenhouse** **PLUS**

The Holland Greenhouse Plus line is designed for the professional gardener, delivering superior quality products at an affordable price. Products are developed with the user's needs and function in mind. Features include comfort and ergonomic designed handles and grips, precision blades with specialized non-stick coatings, and durable lightweight material to ease strain on repetitive use applications.

greenhouse PRO

"Precision without compromise"

Greenhouse Pro provides both classic and innovative cutting tools for the commercial growing industry. We use stainless and SK5 steel which allows our tools to be sanitized, preventing cross contamination between delicate herbs & plants. New innovative tools provide efficiencies for specific cutting functions. Tools range from use on delicate herbs to heartier vegetables and flowers.

CUTTING TOOLS

SANITIZABLE COMMERCIAL GRADE MATERIALS;
SAFE FOR CUTTING EDIBLE HERBS AND PLANTS

2-IN-1 POWERPRO PRUNER

- Easily changes from straight-cut to ratchet when cutting large or difficult branches.
- Non-stick teflon coated SK5 steel blade.
- Includes oil wipe and safety lock.

8"

P011304

2-IN-1 POWERPRO LOPPER

- Easily changes from straight-cut to ratchet when cutting large or difficult branches.
- Non-stick teflon coated SK5 blades.
- Aluminum handles for light-weight durable use.

30 - 1/2"

S005300

BYPASS PRUNING SHEAR

- Bypass pruning shear with SK5 steel on the upper cutting blade and S50C steel on the lower for precision cutting
- Curved stainless steel blade is designed to make a smooth clean cut when trimming soft stems and woody growth without crushing or tearing
- The lock can be easily secured or released with the thumb

7"

P011306

BYPASS PRUNING SHEAR

- Heavy duty pruning shear featuring forged aluminum blade with non-stick teflon coating
- Sap grooves wick sap away keeping cutting edge sharp
- Lightweight with non-slip comfort grips

8 - 1/2"

P011230

FORGED BYPASS PRUNER

- Forged steel blade is precision sharpened for clean cuts
- Platinum satin finish provides superior abrasion resistance
- Features double dipped handle: PVC layer will not slip, while foam provides comfort

8 - 1/2"

P011298

QUICK RELEASE PRUNER

- SK5 Upper blade holds a sharp edge
- Ergonomically shaped aluminum handle with TRP comfort strip provide strength while using
- The easy off lock releases when the pruner is squeezed shut
- Easy to clean and sanitize to prevent cross contamination

7 - 3/4"

S005315

ANVIL RATCHET PRUNER

- Lightweight ratchet action teflon coated steel blade
- Top handle has a textured grip to help avoid slipping and the bottom handle has finger grips
- Ambidextrous lock

8"

P011255

ANVIL LOOP PRUNER

- Lightweight cast aluminum body makes maneuvering easy
- Loop handle keeps branches and thorns away from knuckles
- Rubber comfort grip
- Ratchet action means easier cutting with less effort
- Ambidextrous lock

8"

P011258

MULTI-FUNCTION SHEAR

- Designed for sharp clean cuts, perfect for detail trimming, flower cutting and handicrafts
- Quality stainless steel multi-purpose shear with TRP soft grip handle
- Includes protective sheath for blade
- Blades can be sanitized

5 - 1/8"

P011340

PRUNING SCISSORS [SHORT]

- Short snip garden pruning scissors
- The short blade with the long neck allows precise cutting when reaching into dense or delicate foliage
- The soft non-slip grip handle gives comfort and control when doing detailed clipping
- SK5 High carbon steel blade designed to hold a sharp edge over repeated use
- Blades can be sanitized

7 - 1/2"

P011336

PRUNING SCISSORS

- Perfect for cutting flowers, plants and delicate foliage
- Garden pruning scissors
- Stainless steel blade with poly handle provides smooth clean cutting action reduce hand strain
- Stays sharp during multiple uses
- Blades can be sanitized

7 - 1/4"

P011338

MINI TRIMMER

- Trimmer with stainless steel blades
- Heavy duty stainless steel ultra sharp needle nose hand snips
- Lightweight design with soft grip handles provide comfort during use
- Secure locking feature when not in use
- Perfect for trimming flowers, dead heading, harvesting fruit and vegetables
- Blades can be sanitized

6 - 1/2"

P011330

TITANIUM MICRO TRIMMER

- Curved blade provides precision access to foliage, while the titanium blades do not react to chemicals nor rust

6 - 3/4"

P011331

ANGLED TRIMMER

- Angled stainless steel blade pruning snip
- The lightweight soft TPR grip allows comfort during use
- Angled blade for dead heading buds
- Center cutting surface for shaping
- Perfect for deadheading, trimming and shaping
- Blades can be sanitized

7"

P011332

PRUNING TRIMMER

- Straight long nosed blades for precise pruning and flower cutting
- Quality SK5 Japanese stainless steel blade with forged aluminum handle combines sharp precision trimming with light weight comfort
- Flute spring allows for smooth and easy use
- Replaceable blades
- Can be fully sanitized

8"
