ROK

ROK HIGH VELOCITY

Experience the power of cool with our ROK High Velocity Fans. Designed with performance in mind, our fans boast a 3-speed powerful motor that can switch from super-hi to low with ease. The 4-position front mounted control makes adjusting your fan's speed simple and convenient, while the 3-prong safety power cord ensures that you can use your fan with peace of mind. And with a 6' grounded cord, you can place your fan anywhere in the room without worrying about being too far from an outlet. So why wait? Keep cool and comfortable all year long with our ROK High Velocity Fans.
