Holland Imports Inc

## OUR STORY

---

For 50 years, Holland Imports has helped Canadians complete thousands of projects on the job site and in the home through its wide selection of quality tools, hardware, seasonal products, and accessories. Our longevity has earned us the trust and respect of our customers and manufacturers alike.

We have come a long way since our establishment in the early 1970s as an independent hardware store in British Columbia. We now offer more than 25,000 items every day across many categories in a multitude of brands and price points. We work with end-users and hundreds of factories to continuously develop and launch new products; and we have been able to complement our programs in Hardware, Garden and Christmas with an assortment of Outdoor Living furniture and décor. Throughout our growth, we remain family-owned and are firmly committed to creating value for our customers through the quality of our brands, excellent customer service, and competitive pricing.

As we move forward, we are confident that our deep experience in this sector, our hands-on approach, our drive to always do better, and our integrity will be the reasons why customers can count on Holland Imports.

# OUTDOOR HEATING

## Infrared and Propane Heaters

Extend your time outdoors into the cool evenings and stay comfortable with a variety of heating options.

Far infrared heaters warm up objects and people without heating the air around allowing for maximum efficiency. Similar to the effects of the sun, infrared heating provides warmth and comfort almost instantly and is safe to use around children and pets. Far infrared heaters can be used both outdoors and indoors.

Propane heaters and fire tables are popular for outdoor heating and provide ambiance and add style to the outdoor space.

## AT-GA237100

### FABRI-GUARD Spray 710ml

**Water Repellency:** By forming a protective barrier on the fabric, Fabri Guard helps to make the material water repellent. This helps prevent water absorption, which can lead to mold, mildew, and other forms of water damage.

**UV Protection:** Fabri Guard offers UV protection, which helps reduce color fading caused by exposure to sunlight. This is particularly important for outdoor fabrics which are constantly exposed to the sun's rays.

**Stain Resistance:** Fabri Guard creates a protective layer on the fabric making it more resistant to spills and stains. This is particularly useful for seating and dining sets which are exposed to food, and beverage spills.

**Extended Lifespan:** Using Fabri Guard will extend the life of your outdoor furniture and accessories by helping to maintain their original appearance over many seasons.
