SCULPTED

Silhouettes

Carved contours, softened lines, and sculptural restraint — these silhouettes echo the quiet strength of timeless design. Inspired by classical forms and modern interiors alike, each piece offers a moment of stillness, depth, and understated elegance.

CANDLELIGHT Styling

Traditional pillars, sculptural cutouts, and softly arched forms — these candle holders draw from classical and contemporary design alike. With a nod to neoclassical symmetry and modern ceramic artistry, each piece brings elegance and form to every flicker of light.

Birdfeeder/birdhouse
31.2" X 20.7" X 43.6"

- **QUALITY MATERIALS:** Our birdfeeders and birdhouses are crafted from durable materials, including medium density fiberboard (MDF) and polywood. These materials ensure longevity and weather resistance, making them ideal for outdoor use.
- **BIRD-FRIENDLY DESIGN:** Each birdhouse features a hole for birds to enter, providing a safe and cozy nesting space. Additionally, the design includes a convenient cleaning access at the back, making maintenance hassle-free for bird enthusiasts.
- **ATTRACT A VARIETY OF BIRDS:** Our birdhouses and feeders are designed to attract a diverse range of bird species. Whether you want to welcome bluebirds, chickadees, or finches, our products create an inviting habitat for feathered friends.
