The My Patio Outdoor Cross Dock Program reflects our hands-on approach to product development and retail support, combining attractive seasonal products, practical merchandising opportunities, and a streamlined distribution model to help customers build strong outdoor living programs.

Designed for Canadian retailers, the My Patio Outdoor Cross Dock Program brings together patio, garden, décor, and outdoor lifestyle items that help create inviting spaces for everyday relaxation, entertaining, and seasonal enjoyment. As we continue to grow, Holland Imports remains committed to delivering dependable products, strong value, excellent customer service, and programs our customers can count on.
