HOLLAND IMPORTS

50 YEARS

1973-2023

OUR STORY

For over 50 years, Holland Imports has helped Canadians enjoy life at home, on the job site, and outdoors through a wide selection of quality tools, hardware, seasonal products, and outdoor lifestyle essentials. With the launch and growth of the Trailblazer brand, we continue that tradition by offering reliable, practical, and comfortable products designed for camping, backyard living, events, recreation, and everyday outdoor use.

Since our beginnings as an independent hardware store in British Columbia in the early 1970s, Holland Imports has grown into a family-owned company offering more than 25,000 items across multiple categories, brands, and price points. Trailblazer reflects our hands-on approach to product development, combining comfort, durability, and functional design in items such as outdoor chairs, heated seating, folding tables, pop-up shelters, cots, benches, and seasonal outdoor accessories.

Built for Canadians who enjoy spending time outside, Trailblazer products are designed to make outdoor moments easier, more comfortable, and more enjoyable — whether at the campsite, in the backyard, at a sporting event, or on the go. As we continue to grow, Holland Imports remains committed to delivering dependable products, strong value, excellent customer service, and brands our customers can count on.
